

City Of Country Club Hills Veteran's Commission

Memorial Bricks

The Veteran's Commission has introduced a new program to remember loved ones, particularly veterans. A memorial has been created outside City Hall dedicated to the five branches of the United States Military Services. The Veteran's Commission is now asking for community participating in the memorial.

For a \$25 donation, a brick will be personally engraved in memory of a loved one who has passed, or in honor of someone still living. The bricks will be placed around the memorial just outside City Hall. This is a long-lasting memorable way to honor both veterans and other loved ones.

Anyone who wishes to have an engraved brick placed in the memorial can complete the form below and return it to City Hall. For more information, or any questions call 708-798-2616, Ext. 2260.
