

The Public Works Department wants to remind residents **DO NOT FLUSH DISPOSABLE WIPES OR PAPER TOWELS IN YOUR TOILETS**, these items do not break down and will cause blockage within the sanitary sewer system. Properly dispose these items in your trash receptacles. Your cooperation is greatly appreciated.

Thank you,

Jerry C. Townsend
Public Works Director

A handwritten signature in black ink, appearing to read "Jerry C. Townsend". The signature is fluid and cursive, with the first name "Jerry" and last name "Townsend" clearly distinguishable.
