

Choose Safety

Stop On Red

In our effort to improve public and driver safety throughout the community, the City of Country Club Hills, after careful consideration and detailed analysis, decided to move forward with a new and cutting edge photo-enforcement program, more commonly known as a “Red Light Camera” program. Cameras are installed at the following intersections:

- Pulaski Road & 167th Street (northbound)
- Pulaski Road & 175th Street (northbound and southbound)
- Pulaski Road & 183rd Street (southbound)
- Cicero Avenue & 175th Street (northbound)
- Cicero Avenue & 183rd Street (northbound and southbound)

Implementation of this type of program will reduce possible fatalities and severe personal injury due to driver carelessness and/or reckless disregard for the law. Red Light Cameras are only a cost to those who break the law so please respect the rules of the road. Thank you for helping to keep our roadways safe by remembering to **Choose Safety. Stop on Red.**
