FOR RELEASE UPON REQUEST

Press Release

On May 10, 2016 at approximately 5:45 pm the Country Club Hills Police Department was contacted via several 911 calls regarding shots being fired at 18111 Baker Avenue, Country Club Hills, Illinois. Upon arriving to the listed address, responding officers discovered one victim lying on the front porch with serious gunshot wounds about his person. A second victim was discovered inside of the listed residence with a non life threatening gunshot wound to his leg. Both victims were subsequently transported to area hospitals by Country Club Hills Paramedics. The scene was secured by Country Club Hills police and turned over to the Cook County Major Crimes Task Force which was activated due to one of the victims succumbing to his injuries while at the hospital.

The investigation is currently considered active and ongoing at the time of this release. No further information is available at this time. Any additional information developed will be released at the appropriate time.
