

Country Club Hills Contract Requirements Policy for Minority/Female Business Participation

MBE/FBE BUSINESS ENTERPRISE REQUIREMENTS

Purpose: The City of Country Club Hills is committed to the success of minority and women-owned businesses. Therefore, the Contractor should structure its procedures for the performance of the work required under the contract to attempt to achieve the minority and women business enterprise (M/WBE) goal stated in the Invitation for Bids or Request for Proposals. MBE performance must be in accordance with this Exhibit. Contractor agrees to exercise all good faith efforts to carry out the requirements set forth in this Exhibit.

Policy & Goals: The (MBE) Minority Business Enterprise and (FBE) Female Business Enterprise goals for this general contract are: 25 percent of the total dollar amount of the contract awarded by the City of Country Club Hills shall be to a Minority Business Enterprise and 5 percent of the total dollar amount of this contract awarded by the City of Country Club Hills shall be to a Female Business Enterprise. By submitting a response to this solicitation, the bidder agrees that this dollar amount of the contract will be performed by certified minority business enterprises.

The contractor/vendor should hire subcontractors, to meet the MBE/FBE requirements, if necessary. The Contract Compliance Committee may, at its discretion, accept a waiver from the Bidders and/or have the right to change the requirements based on the size of the contract and any other factors deemed pertinent by the City/Contract Compliance Committee. For purposes of meeting MBE/FBE requirements, the City of Country Club Hills will accept the MBE/FBE certifications from the following organizations/entities:

- SBA 8(a)
- City of Chicago
- Cook County
- Illinois Department of Transportation
- Chicago Transit Authority
- Metra
- Pace
- Central Management Services
- The Chicago Minority Supplier Development Council (CMSDC)
- Women's Business Development Center
- National Minority Supplier Development Council

Instructions: A bidder must include with its bid:

- 1) A completed Certified MBE Affidavit (Attachment A) whereby the bidder acknowledges the certified MBE participation goal or requests a waiver, commits to make a good faith effort to achieve the goal, and affirms that MBE subcontractors were treated fairly in the solicitation process.
- 2) A completed MBE Participation Schedule (Attachment B) whereby the bidder responds to the expected degree of Minority Business Enterprise participation as stated in the solicitation, by identifying the specific commitment of certified MBEs at the time of submission. The bidder shall specify the price and/or the percentage of contract value associated with each MBE subcontractor identified on the MBE Participation Schedule.

If a bidder fails to submit Attachment A and Attachment B with the bid as required, the City Clerk shall deem the bid non-responsive or shall determine that the offer is not reasonably susceptible of being selected for award.

Within 10 working days from notification that it is the apparent awardee or from the date of the actual award, whichever is earlier, the apparent awardee must provide the following documentation to the Contract Compliance Committee:

- 1) Outreach Efforts Compliance Statement (Attachment C);
- 2) Subcontractor Project Participation Statement (Attachment D);
- 3) If the apparent awardee believes a waiver (in whole or in part) of the overall MBE goal or of any sub goal is necessary, it must submit a fully documented waiver request; and
- 4) Any other documentation required by the Contract Compliance Committee to ascertain bidder responsibility in connection with the certified MBE participation goal.

If the apparent awardee fails to return each completed document within the required time, the Contract Compliance Committee may determine that the apparent awardee is not responsible and therefore not eligible for contract award. If the contract has already been awarded, the award is voidable.

CONTRACT ADMINISTRATION REQUIREMENTS

Contractor shall:

- 1) Submit monthly to the City a report listing any unpaid invoices, over 30 days old, received from any certified MBE subcontractor, the amount of each invoice and the reason payment has not been made.
- 2) Include in its agreements with its certified MBE subcontractors a requirement that those subcontractors submit monthly to the City a report that identifies the prime contract and lists all payments received from Contractor in the preceding 30 days, as well as any outstanding invoices, and the amount of those invoices.
- 3) Maintain such records as are necessary to confirm compliance with its MBE participation obligations. These records must indicate the identity of certified minority and non-minority subcontractors employed on the contract, the type of work performed by each, and the actual dollar value of work performed. Subcontract agreements documenting the work performed by all MBE participants must be retained by the Contractor and furnished to the Contract Compliance Committee on request.
- 4) At the option of the Contract Compliance Committee, upon completion of the contract and before final payment and/or release of retainage, submit a final report in affidavit form and under penalty of perjury, of all payments made to, or withheld from MBE subcontractors.
