

Chief's Corner

Greetings,

First and foremost, I hope this newsletter finds you safe and healthy. We are all experiencing unsettling changes at this time. I take comfort in knowing that our community will remain united in taking care of one another during this difficult time. I want to assure you that the CCHPD continues to be available for calls for service and emergencies.

As residents remain at home, more vehicles are parked on the streets and in driveways. I want to remind you all to please lock your vehicle doors and remove valuables. Officers are working tirelessly to protect your property while you sleep. Please share this information with your neighbors.

Respectfully,
Chief John Galvin
