

Chief's Corner

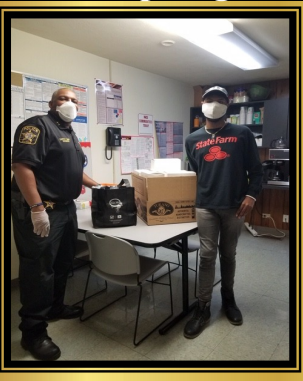

Greetings,

It is my pleasure to present the July 2020 newsletter. With summer upon us, the police department continues to take pride in working to address crime trends in a timely manner. We want to ensure the community is safe, that residents feel safe in their neighborhood and that quality of life concerns are addressed. This summer, our focus and priorities are on child safety, neighborhood & traffic safety, and property crimes.

In June, you will notice an increase in thefts reported. We are still experiencing vehicle burglaries in our residential areas during the early morning hours. We need your help to resolve this ongoing problem. Please review our [Vehicle Burglary](#) brochure and share with your neighbors. We cannot stress this enough.

Respectfully,
Chief John Galvin

Crime Prevention Tips

Child Safety is important all year, but summer is an especially important time for parents and children to include safety in their activities.

Always listen to your children and keep the lines of communication open. Your children

are your best source for determining if everything is okay. Teach your children to get out of dangerous or uncomfortable situations right away and practice basic safety skills with them.

Make sure they know they are able to tell you about anything that makes them feel scared, uncomfortable, or confused.
