Department News

The CCHPD has responded to several large parties within our residential areas. While summer activities are expected, we must all be mindful of the safety measures put in place regarding COVID-19. Additionally, our community must remain free of offensive noises and disturbances that breach the peace of others.

We are reminding residents of our ***Boisterous Parties or Gatherings Ordinance (7.5.05)***. It applies to both owner-occupied and rental properties, as well as public or private property within city limits. Residents are encouraged to host peaceful social gatherings that do not disturb the neighborhood, block/obstruct public ways,

cause for debris or property damage, or allow offensive odors to permeate the air of adjacent property.

Violations may result in a fine of \$500 for each occurrence. Specific provisions of the ordinance can be found by clicking [HERE](#).

Crime Prevention Tips

The [Roadside Stranded Motorist-Gold Scam](#) is hitting suburban areas. The scammer targets good Samaritans at expressway exits, malls, and grocery store parking lots. A stranded driver (scammer) on the side of the road waves people in for help. The man says he's wealthy and offers gold jewelry to entice

people to give him money. The gold is not real and plenty of people have been scammed out of their money.

- Do not stop and assist stranded motorists. Call the police for them and provide the location and a description.
- Do not give away your cell phone or money.
