

Chief's Corner

Greetings,

As we enter into another school year, the CCHPD would like to wish all students much success.

To the students, work hard and dedicate your attention to your studies. The knowledge of your teachers is critical, so be sure to absorb all that you can when they are teaching. School will not always be easy but know that you have the support of your teachers and parents/guardians.

To the parents and guardians, thank you for all that you do and remember that your involvement in your student's studies is critical to academic success.

Knowledge is power!

Respectfully,
Chief John Galvin

The D.C's Spotlight

Previously featured in our April 2021 newsletter, we are now congratulating **CSO Charles Trotter** on his retirement from the CCHPD. Thank you for 24 years of service. Enjoy your retirement. You will be missed.

SECURE FIREARMS, SAFER COMMUNITY

Firearm owners can make their homes and communities safer by storing their firearms securely. Research shows secure firearm storage practices play a vital role in reducing the risk of gun violence by disrupting unauthorized access to firearms. Unsecured firearms increase the likelihood of crime and violence through an increased risk of gun theft. Each year, an estimated 200,000 to 500,000 firearms are stolen, and many are funneled into the underground market, where once-legally-owned firearms can be transferred to people with dangerous histories and be involved in criminal activity.

BACK TO SCHOOL SAFETY

More travelers will soon utilize our roadways as students begin walking, bicycling, and riding the bus to school when in-person classes resume. Safety is everyone's responsibility and back-to-school is an opportune time to remind students about important steps that can help keep them safe.

Announcements & Reminders

- "Coffee for Champions" fundraiser for Special Olympics IL will be held on 8/20/2021 @ Dunkin' Donuts 4021 W. 183rd St.
- New traffic configuration at 183rd St & Pulaski Rd. Notice - Left turns only on green arrow.

Crime Prevention Tips

UNLOAD, LOCK, AND SEPARATE~

Assume children, teens and thieves can find firearms. Store firearms locked, unloaded, and separate from ammunition. Securing firearms protects children and adults by preventing unauthorized use of firearms,

unintentional shootings and firearm theft.

There are many affordable options for firearm storage that provide owners with quick access to their firearms while still preventing access by children and people at increased risk of harming themselves or others.
