COUNTRY CLUB HILLS 2023 COMPREHENSIVE PLAN REVIEW

Greetings Valued Country Club Hills Residents,

Over the past year and a half, Country Club Hills has developed an update to the city's Comprehensive Plan. Together we have gathered community input to build a plan that is reflective of our shared vision and goals for the city.

About the Plan: The Country Club Hills Comprehensive Plan is an intentional road map to guide the city toward its shared vision and goals. Highlights of the Comprehensive Plan include goals of providing more comfortable conditions for walking and biking, supporting economic development initiatives, adding more housing options, strengthening city services, preserving parks and open space, promoting civic transparency, and creating more places to shop, gather, and eat in the city core.

We are excited to present The Country Club Hills 2023 Comprehensive Plan. The official plan is available for public comment ahead of the joint Admin, Planning Commission and City Council review meeting on Monday, September 18, 2023 @ 7:00 pm. We ask that you please provide your input. What do you like about the plan? What do you wish was different? Please send all feedback to Jerry Townsend at jtownsend@countryclubhills.org or Ashley McKnight (Design Workshop Planner) at amcknight@designworkshop.com.
