DATE ISSUED: _____
APPROVED BY: _____

PIN #: _____

Application is hereby made for a permit to build a fence around a house in the City of Country Club Hills.

Applicant: _____ Date of Application: _____

Property Address: _____ Cost of Job: _____

Contractor doing work _____ Phone # _____

Contractor Address: _____

DESCRIPTION

FENCES:

1. All framing and posts must be erected on the interior side of the fence. The exterior (finished side) must face the neighbors.
2. In Front Yards: Under no circumstance shall any fence be permitted in any front yard.
3. In Rear Yards: All fences, except as provided in other City Ordinances, shall not exceed 1.8 meters (6 ft) in height. A corner lot, which abuts a street, shall have any fences located entirely within the rear yards (See diagrams 1a and 1b).
4. In Side Yards: All fences, except as provided in other City Ordinances, shall not exceed 1.8 meters (6 ft) in height. All fences located in side yards, shall not pass the front of the principle building (see diagram 2). No fence shall be permitted in the side yard of a corner which abuts a street.
