## **ITY OF COUNTRY CLUB HILLS**

### **SPECIFICATIONS FOR AQUATIC WEED AND ALGAE CONTROL SERVICE**

<b>Retention Pond Site</b>	<b>Location</b>
Churchill Downs Subdivision	181st & Cicero Ave.
Cambridge Subdivision	178th Pl. & Pulaski Rd.
City Hall	4200 183rd St.
Ampitheater	4116 183rd St.

### **PERIOD OF COVERAGE**

This proposal provides for maintenance services for the 2025 and 2026 seasons (May 1st through April 30th, with a third season optional.

### **AQUATIC SERVICES**

The water management plan includes inspection, assessment, recommendation, implementation and treatment reports. The service program will include a maximum of 10 inspections, the contractor will determine the proper treatment program at the time of inspection based on the weather and environmental conditions of the water.

1. All chemical products used must be EPA registered and labeled for aquatic use. Product labels will determine the application rates and will be applied by licensed applicators.
2. The program will include blue or blue-green dye for all four ponds to help control algae and photosynthesis as well as bacteria treatments.
3. Program does not include the removal of plant material near the shore bank (Cattail, duckweed, watermeal or rip-rap control.)
4. Due to weather and environmental conditions, inspections will begin in April.

## **CONSULTATION**

1. Notification will be made by email of each inspection and chemical treatments to the Director of Public Works & Water following each service.

## **STANDARD AGREEMENT PROVISIONS**

1. Contractor shall provide necessary personal protective equipment (PPE), follow ANSI and OSHA standards.
2. Contractor shall furnish all necessary supervision, labor , supplies, materials and equipment required to perform the above mentioned services in a timely manner
3. Contractor shall make every reasonable effort to perform the said services as to avoid any inconveniences to the City. In the event of holidays, rain or other factors the contractor may reschedule services to another day.
4. Contractor maintenance personnel shall be properly trained , experienced and skilled in their respective duties.

## **INSURANCE COVERAGE**

1. See attached information.

## **ADDITIONAL INFORMATION**

1. The City Council reserves the right to waive irregularities and accept the Bid which appears to serve the best interest of the City of Country Club Hills.
2. MBE/FBE encouraged to apply. See attached information.
3. Three (3) business references required.
4. Contact Tom Kopanski - Director of Public Works for questions.
