

NOTICE OF THE 2025 ROAD IMPROVEMENT PROGRAM

Dear Resident,

This notice is to inform you that your street is one of 15 streets in this year's program schedule to be resurface. On Monday, October 27, 2025, the paving contractor will start working on the resurfacing of the streets included in the program. Work will start at approximately 7:00 am and will continue until about 5:00 pm. The project should be completed by Friday, November 21, 2025, if not sooner. During this time, we are asking that you **DO NOT PARK ON THE STREET**. The contractor will work with you on accessing the street and your driveway. This work will not impact your use of your driveway. Because the goal is to get the work finish as soon as possible we ask that you limit your use of the street during the stated work hours. This work will not impact the garbage pick on Friday.

Mayor Ford and the City Council realize that these street improvements will be inconvenient, your patience and cooperation will be greatly appreciated. Again, all efforts to expedite this work will be utilized to minimize traffic conflicts and provide residential access.

*Any questions or concerns contact Jerry C. Townsend Project Manager at 708-206-1049 or jtownsend@countryclubhills.org *

A complete list of the streets included in this year's program is list on the city's website
